# File Submission Guidelines

## For Ads

**PREFERRED SOFTWARE** PDF or PDF/X 1-a (using the "Press Optimized" job option in Acrobat Distiller 4.0+). We can only accept PDF files created using Acrobat Distiller.

Use of Acrobat Distiller is required to ensure that all fonts are embedded properly and images remain CMYK (and/or grayscale) without conversion to RGB.

**COLOR** All 4-color ads should be designed using CMYK process. Spot colors should be designed as CMYK match colors, not solid color ink.

**FILE QUALITY** All files should be saved at 300 dpi or higher and at 100%. Images saved from the web are insufficient for print usage and cannot be accepted. Time extensions due to inappropriate file submissions will not be granted, and PEI reserves the right to exclude any advertising that is not suitable for printing.

**PRODUCT SHOWCASE**  
Photo 300 dpi color jpg, 1.3" square. Text: 75 words.

## For Logos

**PREFERRED SOFTWARE** Please do not embed logos in Word documents, as that automatically compresses files and reduces quality.  
**DIRECTORY LOGO** 300 dpi b&w jpg, maximum 2.25" square  
**EXHIBITOR GUIDE LOGO** 300 dpi color jpg, maximum 2" square

## File Delivery

(print & digital)  
Please submit all artwork to PEI by uploading to [www.pei.org/upload](http://www.pei.org/upload) or send to [dropbox@pei.org](mailto:dropbox@pei.org). Questions about the upload process may be directed to Rex Brown at **918-236-3961** or [jrbrown@pei.org](mailto:jrbrown@pei.org). Files under 4 MB may be emailed to [droseberry@pei.org](mailto:droseberry@pei.org).

## Terms & Conditions:

1. Only reservations on an official PEI Insertion Order Form on or prior to the issue reservation deadline will be recognized. All advertisements accepted are subject to PEI's approval of the copy and to the space being available. (Contact Dana Roseberry at 239-542-8123 or [droseberry@pei.org](mailto:droseberry@pei.org) for an official PEI Insertion Order Form.)
2. Neither advertisers nor agencies may cancel orders after the reservation deadline, or make changes in advertising after the materials closing deadline of any PEI publication.
3. The Publisher is not responsible for errors or omissions in any advertising materials provided by the advertiser or its agency (including errors in key numbers, misspellings, blurriness or any other flaw or mistake) or for changes made after closing date.
4. The Publisher may reject or cancel any advertising for any reason at any time. Advertisements may not simulate the PEI publication's editorial material in appearance or style and must be immediately identifiable as advertisements. Publisher shall not be liable for any cost or damages if, for any reason, it fails to publish an advertisement.
5. All advertisements are accepted and published in the PEI publication upon the representation by the agency and advertiser that they are authorized to publish the entire contents and subject matter thereof and that such publication (or availability) will not violate any law or infringe upon any right of any party. In consideration of the publication of advertisements, the advertiser and agency will, jointly and severally, indemnify, defend and hold the Publisher harmless from and against any and all losses and expenses (including, without limitation, attorney's fees) arising out of the publication of such advertisements in the PEI publication, including, without limitation, those arising from claims or suits for defamation, copyright or trademark infringement, misappropriation, violation of rights of privacy or publicity, or from any and all similar claims now known or hereafter devised or created.
6. It is understood that the advertiser and agency are jointly and severally liable for payment of all advertising in each issue of the PEI publication in advance by the issue payment deadline. Payment may be made by check or credit card (Mastercard, Visa, American Express) or wire transfer (wire payments must include a \$25 transfer fee).
7. No conditions, printed or otherwise, appearing on contracts, orders or copy instructions that conflict with vary, or add to these terms and conditions or the provisions of the PEI publication's rate card will be binding on the Publisher. Publisher has the right to insert the advertising anywhere in the PEI publication at its discretion, and any condition on contracts, orders or copy instructions involving the placement of advertising within an issue of the PEI publication (such as page location, competitive separation or placement facing editorial copy) will be treated as a positioning request only and cannot be guaranteed.
8. The Publisher shall not be subject to any liability whatsoever for delays in delivery or any failure to publish or circulate all or any part of any issue or issues of the PEI publication because of strikes, work stoppages, accidents, fires, acts of God or any other circumstances not within the control of the Publisher.
9. All advertising rates listed in the PEI Media Kit and on the PEI ratecard are NET rates, and agency discounts, or any other such discounts, do not apply.
10. All frequency and volume discounts must be used within a 12-month period, beginning with the first insertion issue. In the event that the Advertiser or agency cancels or does not complete the contracted number of insertions within a 12-month period, the Advertiser and Agency will be subject to and liable to pay a "Short Rate" for all ads previously run within the 12-month period prior to the cancellation. A "Short Rate" is defined as the additional amount which, when combined with Advertiser's previous payments, would equal the amount due for the number of ads the Advertiser did complete during the 12-month period.
11. Terms and Conditions are subject to change by the Publisher without notice.

# PEI JOURNAL PEI DIRECTORY

## Readership Demographics & Facts

All PEI members receive the **PEI Journal** and the **PEI Directory** as part of their membership. PEI's membership is made up of manufacturers, distributors, and service and construction companies of fuel and fluid handling equipment used in service stations, terminals, bulk plants, fuel oil, and similar fuel marketing operations.

Through the **PEI Journal** and the **PEI Directory**, your ad has

enormous reach. Our readership includes two key audiences. First, convenience store operations and engineering professionals that collectively are responsible for thousands of retail fueling locations. Second, equipment distributors and service companies that equip and maintain the vast majority of retail fueling stations in the United States and Canada, as well as many international facilities around the globe.
